**Killer Cruise** Jan 21 2023 While teaching on a swanky cruise, wordsmith Jaine Austen soon discovers that her all-expenses-paid trip to the Mexican Riviera comes with a high price when she is faced with blackmail, a sleazy British dancer, eccentric passengers, and murder.

**Jane Austen and William Shakespeare** Sep 05 2021 This volume explores the multiple connections between the two most canonical authors in English, Jane Austen and William Shakespeare. The collection reflects on the historical, literary, critical and filmic links between the authors and their fates. Considering the implications of the popular cult of Austen and Shakespeare, the essays are interdisciplinary and comparative: ranging from Austen's and Shakespeare's biographies to their presence in the modern vampire saga *Twilight*, passing by Shakespearean echoes in Austen's novels and the authors' afterlives on the improv stage, in wartime cinema, modern biopics and crime fiction. The volume concludes with an account of the Exhibition "Will & Jane" at the Folger Shakespeare Library, which literally brought the two authors together in the autumn of 2016. Collectively, the essays mark and celebrate what we have called the long-standing "love affair" between William Shakespeare and Jane Austen—over 200 years and counting.

**Killing Cupid** Mar 11 2022 "The multiple suspects keep readers on the edge of their seats" in a hilarious Valentine's Day mystery from the author of *Death of a Neighborhood Witch* (RT Book Reviews). Love is in the air as freelance writer Jaine Austen begins a new job at the Dates of Joy matchmaking service . . . When Jaine lands a job writing web copy and brochures for matchmaker Joy Amoroso, she's excited for a chance to help the lovelorn—until she realizes Joy is a ruthless taskmaster who screams at her employees for the smallest infractions, pads her website with pictures of professional models posing as clients, and offers up convincing but empty promises of love. So it's no surprise when the chiseling cupid turns up dead at a Valentine's Day mixer. Now, finding the culprit may prove harder than spotting that elusive caramel praline in a box of chocolates . . . Praise for

the Jane Austen mysteries “I’m crazy about Laura Levine’s mystery series. Her books are so outrageously funny.” —Joanne Fluke, New York Times bestselling author “Laura Levine’s hilarious debut mystery, *This Pen for Hire*, is a laugh a page (or two or three) as well as a crafty puzzle. Sleuth Jane Austen’s amused take on life, love, sex and LA will delight readers. Sheer fun!” —Carolyn Hart, New York Times bestselling author “Jane can really dish it out.” —The New York Times Book Review “Fun. Jane’s dogged sleuthing and screwball antics will entertain fans of this fizzy series.” —Publishers Weekly

*The Witch's Head* Jun 14 2022 This was the second of H. Rider Haggard's novels and much of it is set in Africa in the territory of the Zulu warriors. The story begins in the home of Mr Cardus who is the uncle of Ernest. He is a young boy who has lost his mother recently and is now reliant on Mr Cardus for a roof over his head.

The Lost Books of Jane Austen May 01 2021 Thoroughly innovative and occasionally irreverent, this book will appeal in equal measure to book historians, Austen fans, and scholars of literary celebrity.

The Bedside, Bathtub & Armchair Companion to Jane Austen Apr 12 2022 A fantastically vast and witty companion to everything you need to know about Jane Austen, presented in a wonderfully fun and entertaining style which will appeal to all readers.

Jane Austen's Names Feb 27 2021 Jane Austen took a particular delight in the resonance of names, and in her novels she used the names of people and places as a potential source of meaning, satirical or historical. Margaret Doody's book is a learned and enjoyable investigation of this aspect of Austen's art. Doody tells us that Austen preferred first names in common and traditional English use, though these sometimes acquire a subtly new flavor in her works. Austen also favored the names of saints and of royalty, but she did use some classically derived pagan names, always with a purpose. And Austen would signal political loyalties and allegiances in her novels through the use of names, both first names and last names, as well as place names. In exploring Austen's names and their connotations, Doody has a larger point to make. By uncovering the riddling and punning in Austen's names, as well as Austen's interest in history, Doody casts Austen as a decidedly earthy writer steeped in the particulars of place and time, rather than a timeless novelist writing in an abstemious style. From this attention to names in her work emerges a picture of Austen that is both fuller than we've had before, and controversial.

Killing Bridezilla Oct 18 2022 When writer-for-hire Jane Austen signs on to script vows for the ultimate Bridezilla, "I do's" soon become "I wish I hadn't's"—and curtains for the bride spell a veil of woes for Jane. . . Jane's accepted her share of lame gigs to pay the bills, but rewriting Shakespeare's got to be an all-time low. The fiasco begins with a call from Jane's high-school nemesis, uber rich uber witch Patti Devane. It seems Patti will soon be sashaying down the aisle with another former classmate from Hermosa High, and she'd like the exchange of vows to evoke Romeo and Juliet. . .except without the "downer" of an ending. Even worse than the assignment itself is dealing with Patti as a client. At least Jane's not alone, as nobody can stand the demanding, spoiled, and incredibly rude Bridezilla from Hell. Patti's managed to rack up an amazingly long list of enemies in a short time, not the least of whom include her prospective mother-in-law, the soon-to-be ex-wife of Patti's stolen soon-to-be groom, and just about everyone involved in the wedding preparations. So it isn't a complete surprise when the erstwhile Juliet plunges to her death during her balcony scene. The loosened bolts that brought down the bride were clearly an act of sabotage--what's not so obvious is whom, among Patti's numerous haters, committed this murder most foul. Was it the caterer she threatened to ruin? The bridesmaid tossed out of the wedding party for being too chubby? Jane's determined to learn the truth--if only to end the hideous walk down memory lane kicked off by her association with Patti. Between fending off advances from the nerd of her high school nightmares and figuring out ways to stop Prozac the cat from corrupting the victim's pet Poodle, Jane's involvement in this case keeps veering between comedy and tragedy. That is, until another body is discovered--and the killer starts

laying plot for a final act--starring Jaine. . .

Llewellyn's Complete Book of Names for Pagans, Wiccans, Witches, Druids, Heathens, Mages, Shamans & Independent Thinkers of All Sorts who are Curious about Names from Every Place and Every Time Oct 14 2019 Parents want the perfect name for their child. Among the baby books available today, none are tailored to the needs of witches, pagans, and other seekers.

**What Would Jane Austen Do?** Feb 10 2022 When a modern woman goes back to Jane Austen's time, she needs to know... Everything! Eleanor agrees to travel back in time to prevent a deadly duel, but she doesn't know how to behave, what to say, and most importantly... How to tell a villain from a rake The captivating, infuriating, and mysterious Lord Shermont is a renowned rake and womanizer—but is he also a dangerous cutthroat and spy? Eleanor has to get up close and personal to find out... Otherwise, she could fall into a most shocking scandal... Thankfully, Miss Jane Austen herself arrives on the scene, with sage guidance and a twinkle in her eye, to help Eleanor navigate countryhouse society and the dangerous terrain of her own heart... From the author of *Hundreds of Years to Reform a Rake*, a new time travel romance featuring a modern day career woman swept back in time to Regency England, where she thwarts a Napoleonic spy, chats with Jane Austen, and falls in love with a notorious rake. PRAISE FOR LAURIE BROWN: "Highly original. If you're in the market for a different kind of historical romance, or you enjoy stories filled with period detail, *Hundreds of Years to Reform a Rake* is a solid bet." [wordcandybooks.blogspot.com](http://wordcandybooks.blogspot.com) "Brown's ending was clever and I never suspected Josie would choose the path she takes. I would recommend *Hundreds of Years to Reform a Rake* to anyone who enjoys paranormals, and even Regency fans who don't usually read them. Brown did an excellent job of combining the two genres." [aladysdiversions.blogspot.com](http://aladysdiversions.blogspot.com) "A very enjoyable read with Josie a feisty and independent character, and Deverell the ghost and Deverell the man both also very appealing." [curledup.com](http://curledup.com) "Humor, mystery, ghosts, history, and... pure fun." [blogcritics.org](http://blogcritics.org) "A fresh tale that is as charming as it is hot!" [zeekspace.blogspot.com](http://zeekspace.blogspot.com) "You'll be transported to another time and won't want to return until the very last page is digested." [fantasybookspot.com](http://fantasybookspot.com)

*Jane Austen and the Fiction of Culture* Dec 20 2022 With a new introduction by the authors, this edition takes the complete body of work of Jane Austen as the basis for rethinking ethnographic representation and cross-cultural analysis.

*Last Writes* Nov 19 2022 Wisecracking pen-for-hire Jaine Austen is back--and she's about to discover that working on the set of a Hollywood sitcom is no laughing matter. . . Jaine still hasn't found a good man--or a way to keep all those sugary snacks from going straight to her hips. But--with a little help from her best friend Kandi--she's finally landed a gig as a sitcom writer! True, *Muffy 'n Me* (aka "Bewitched with Tits") isn't going to win any Emmys. And her office at Miracle Studios needs a little sprucing up, and a few dozen rat traps. But it sure beats writing boring brochures and bad resumes, so Jaine's not complaining. Until the plot thickens--with murder. . . Jaine figures the trouble all started when Muffy 'n Me's hottest star, gorgeous Quinn Kirkland, seduced the head writer--whose husband also works on the show. But when Quinn's caught in bed with the barely-legal actress who plays his niece, things really heat up--and his many jealous girlfriends start to figure things out. . . So when the no-good heartthrob drops dead after nibbling a poisoned doughnut, Jaine isn't terribly surprised. But who could have done it? A competitive co-star and a couple of scorned lovers top Jaine's list of suspects, but the police have zeroed in on her man-crazy pal Kandi. She fell hard for Quinn--and nearly fell apart when she learned of all his other women. Now Jaine has to figure out who finally stopped Quinn's cheatin' heart--before her best friend ends up behind bars. . .

*Jane and the Stillroom Maid* Jan 09 2022 Jane Austen is enjoying August, 1806, among Derbyshire's craggy peaks, sparkling streams, and cavernous gorges. That is, until she discovers the corpse of a young gentleman whose blond curls and delicate features suggest the face of an angel. More shocking still is the coroner's revelation: the deceased is no man but a maidservant — clad in the garb of her master, Mr. Charles Danforth of Penfolds Hall. Tess Arnold had ruled the stillroom at Penfolds for many years — until she was labeled a witch and dismissed for indiscretion. Was

Tess the prey of a madman loose in the hills, or perchance the cast-off impediment to a gentleman's marriage? As usual, Jane's acute perception and her nose for trouble place her supremely at risk — from a killer who may strike as violently by day as he once did by night....

*Jane Austen, Young Author* Jul 23 2020 In her lively and accessibly written book, Juliet McMaster examines Jane Austen's acute and frequently uproarious juvenile works as important in their own right and for the ways they look forward to her novels. Exploring the early works both collectively and individually, McMaster shows how young Austen's fictional world, peopled by guzzlers and unashamed self-seekers, operates by an ethic of energy rather than the sympathy that dominates the novels. A fully self-conscious artist, young Jane experimented freely with literary modes - the epistolary, the omniscient, the drama. Early on, she developed brilliantly pointed dialogue to match her characters. Literary parody impels her creativity, and McMaster's sustained study of Love and Friendship shows the same intricate relation of the parody to the work it parodies that we later see with Northanger Abbey and the Gothic novel. As an illustrator herself, McMaster is especially attuned to the explicit and sometimes hilarious descriptions of bodies that preceded Austen's famous reticence about physicality. Rather than focusing on the immaturities of the juvenilia, McMaster maps the gradual shifts in tone and emphasis that signpost Austen's journey as a writer. She shows, for instance, how the shameless husband-hunting in *The Three Sisters* and the vigorous partisanship of *The History of England* lead on to *Pride and Prejudice*. Her book will appeal to Austen's critics and to passionate general readers, as well as to scholars working in the fields of juvenilia, children's literature, and childhood studies.

**Darcy's Royal Dilemma** Jan 17 2020 Darcy and Elizabeth are overcome with magic in this new series - *The Witches of Longbourn*, a magical and light-hearted Regency trilogy. *Darcy's Royal Dilemma* is Book 1 in the series. Fitzwilliam Darcy's first spell has gone wrong, and he arrives at Netherfield with a small jewel box possessing the power to topple the British monarchy. Desperate to find a witch to undo his botched magic, he is attracted to Elizabeth Bennet-but hijinks ensue as Miss Fiona Feelgood, a darling little love witch, enters their lives. Time is running out. Will Darcy realize the witch he needs is the witch he desires? Love blossoms over three complete but continuing adventures in which Darcy and Elizabeth discover what we have known all along. If you enjoyed the Mister Darcy series of comedic mysteries, you don't want to miss *Darcy's Royal Dilemma*, the first episode in the *Witches of Longbourn*. *Pride and Prejudice* and *Witches* a variation on a variation.

*Jane Austen and Crime* Dec 08 2021 This new approach to Austen and her works uncovers the renowned author's fascination with illegality and its brutal consequences. From murder, adultery, and duelling to gaols, hangings, and stocks, this book examines the criminal landscape of Austen's England and highlights its significance in her novels.

*The Jane Austen Guide to Happily Ever After* Aug 16 2022 Women today are settling for less than we want when it comes to men, relationships, sex, and marriage. But we don't have to, argues Elizabeth Kantor. Jane Austen can show us how to find the love we really want.

*The Unknown Witches of Oz* Jun 02 2021

*Jane Austen and Children* Mar 19 2020 Explores the surprisingly important part that children play in the novels of Jane Austen and the contribution they make to understanding her adult characters. >

*Witches, Druids and King Arthur* Feb 16 2020 In *Stations of the Sun* and *The Triumph of the Moon* Ronald Hutton established himself as a leading authority on the history of Paganism. His wealth of unusual knowledge, complemented by a deep and sympathetic understanding of past and present beliefs that are often dismissed as strange or marginal, and an ability to write lucidly and wittily, gives his work a unique flavour. The essays which make up *Witches, Druids and King Arthur* cover elegantly and entertainingly a wide range of beliefs, myths and practices.

**Fan Phenomena: Jane Austen** Nov 26 2020 Nearly two hundred years after her death, Jane Austen is one of the most widely read and beloved English novelists of any era. Writing and publishing anonymously during her lifetime, the woman responsible for some of the most enduring

characters (and couples) of modern romantic literature, including Elizabeth Bennett and Mr Darcy, Emma Woodhouse and George Knightley, was credited only as 'A Lady' on the title pages of her novels. It was not until her nephew, more than five decades after her death at the age of 41, published a memoir of his 'dear Aunt Jane' that she became widely known. From then on, her fame only grew, and fans and devotees, so-called 'Janeites,' soon idolized and obsessed over her. Like any great art that endures and excites long after it is made, Austen's novels are inextricable from the culture they have created. Essential reading for Austen's legions of admirers, Fan Phenomena: Jane Austen collects essays from writers and critics that consider the culture surrounding Austen's novels.

*Bespelling Jane Austen* Oct 06 2021 Jane Everett and Capt. Robert Mitford realize they are reincarnated soul mates; Caroline Merrill suspects Mr. Blanchard of being a vampire; Elizabeth Bennet encounters Charles Bingley and vampires; and Emma Woodhouse runs a dating service for the supernatural.

*The Witch of Exmoor* May 13 2022 A Los Angeles Times Best Book of the Year: "Part social satire, part thriller, and entirely clever" (Elle). It is a midsummer's evening in the English countryside, and the three grown Palmer children are coming to the end of an enjoyable meal in the company of their partners and offspring. From this pleasant vantage point they play a dinner-party game: What kind of society would you be willing to accept if you didn't know your place in it? But the abstract question of justice, like all their family conversations, is eventually brought back to the more pressing problem of their eccentric mother, Frieda, the famous writer, who has abandoned them and her old life, and gone to live alone in Exmoor. Frieda has always been a powerful and puzzling figure, a monster mother with a mysterious past. What is she plotting against them now? Has some inconvenient form of political correctness led her to favor her enchanting half-Guyanese grandson? What will she do with her money? Is she really writing her memoirs? And why has she disappeared? Has the dark spirit of Exmoor finally driven her mad? *The Witch of Exmoor* brilliantly interweaves high comedy and personal tragedy, unraveling the story of a family whose comfortable, rational lives, both public and private, are about to be violently disrupted by a succession of sinister, messy events. "Leisurely and mischievous," it is a dazzling, wickedly gothic tale of a British matriarch, her three grasping children, and the perils of self-absorption (The New Yorker). "As meticulous as Jane Austen, as deadly as Evelyn Waugh." —Los Angeles Times

*The Salem Witchcraft, the Planchette Mystery, and Modern Spiritualism* Jun 21 2020 "The Salem Witchcraft, the Planchette Mystery, and Modern Spiritualism" by Harriet Beecher Stowe is psychoanalysis. The object of reprinting this most interesting review is simply to show the progress made in moral, intellectual, and physical science. The reader will go back with us to a time—not very remote—when nothing was known of Phrenology and Psychology; when men and women were persecuted, and even put to death, through the baldest ignorance and the most pitiable superstition. If we were to go back still farther, to the Holy Wars, we should find cities and nations drenched in human blood through religious bigotry and intolerance. Let us thank God that our lot is cast in a more fortunate age, when the light of revelation, rightly interpreted by the aid of Science, points to the Source of all knowledge, all truth, all light. When we know more about Anatomy, Physiology, Physiognomy, and the Natural Sciences generally, there will be a spirit of broader liberality, religious tolerance, and individual freedom. Then all men will hold themselves accountable to God, rather than to popes, priests, or parsons. Our progenitors lived in a time that tried men's souls, as the following lucid review most painfully shows.

*Jane Austen's Cults and Cultures* Sep 17 2022 Johnson begins by exploring the most important monuments and portraits of Austen, considering how these artifacts point to an author who is invisible and yet whose image is inseparable from the characters and fictional worlds she created. She then passes through the four critical phases of Austen's reception.

*A Witch's Handbook of Kisses and Curses* Jan 29 2021 Nola Leary would have been content to stay in Kilcairy, Ireland, healing villagers at her

family's clinic with a mix of magic and modern medicine. But a series of ill-timed omens and a deathbed promise to her grandmother have sent her on a quest to Half-Moon Hollow, Kentucky, to secure her family's magical potency for the next generation. Her supernatural task? To unearth four artifacts hidden by her grandfather before a rival magical family beats her to it. Complication One: Her grandfather was Mr. Wainwright and the artifacts are lost somewhere in what is now Jane Jameson's book shop. Complication Two: her new neighbor, Jed Trudeau, who keeps turning up half naked at the strangest times, a distraction Nola doesn't need. And teaming up with a real-life Adonis is as dangerous as it sounds, especially when he's got the face of an angel and the abs of a washboard—can Nola complete her mission before falling completely under his spell?

**The Secret of Dartwood Manor** Mar 31 2021 Witches. Ghosts. An ancient secret. Enter a world of myth and magic through this contemporary fantasy reimagining of Jane Austen's beloved classic, *Sense and Sensibility*. The small New England town of Tarryville, Maine is steeped in history, having been settled by the Dartwood and Farris families who fled Salem during the witch trials. The Dartwood sisters, Eden, Mariah, and Melissa, unexpectedly return home after their parents are found murdered. Upon their arrival, the girls are plagued by dreams in which dark spectral beings haunt them. When the hellish creatures seem to be more than just nightmares, another mystery begins to unravel as they discover that the circumstances around the murder of their parents may be far more menacing than they appear. Frantic for answers, they must untangle the mystery of their parents' murders and reconstruct the pieces of an ancient secret. With the help of the young assistant curator of their family museum, Baden Correia, and an estranged friend from their past, Evan Farris, the orphaned Dartwood sisters must uncover the truth before the darkness haunting their family descends upon them as well.

The Witch's Tears (The Witch's Kiss Trilogy, Book 2) Nov 07 2021 Can true love's kiss break your heart...? The spellbinding sequel to THE WITCH'S KISS by authors and sisters, Katharine and Elizabeth Corr.

Waking the Witch Dec 28 2020 From the podcast host of The Witch Wave and practicing witch Pam Grossman—who Vulture has dubbed the “Terry Gross of witches”—comes an exploration of the world's fascination with witches, why they have intrigued us for centuries and why they're more relevant now than ever. When you think of a witch, what do you picture? Pointy black hat, maybe a broomstick. But witches in various guises have been with us for millennia. In *Waking the Witch*, Pam Grossman explores the impact of the world's most magical icon. From the idea of the femme fatale in league with the devil to the bewitching pop culture archetypes in *Sabrina the Teenage Witch* and *Harry Potter*; from the spooky ladies in fairy tales to the rise of contemporary witchcraft, witches reflect the power and potential of women. Part cultural analysis, part memoir, *Waking the Witch* traces the author's own journey on the path to witchcraft, and how this has helped her find self-empowerment and purpose. It celebrates witches past, present, and future, and reveals the critical role they have played—and will continue to play—in the world as we know it. “Deftly illuminating the past while beckoning us towards the future, *Waking the Witch* has all the makings of a feminist classic. Wise, relatable, and real, Pam Grossman is the witch we need for our times” (Ami McKay, author of *The Witches of New York*).

Jane Austen on Screen Dec 16 2019 This collection of essays explores the literary and cinematic implications of translating Austen's prose into film. Contributors raise questions of how prose fiction and cinema differ, of how mass commercial audiences require changes to script and character, and of how continually remade films evoke memories of earlier productions. The essays represent widely divergent perspectives, from literary 'purists' suspicious of filmic renderings of Austen to film-makers who see the text as a stimulus for producing exceptional cinema. This comprehensive study will be of interest to students and teachers alike.

Jane Austen and the French Revolution Apr 19 2020 This book argues that Jane Austen did know of the French Revolution and its effects on the European world, even though she never refers to it directly in her writing.

**Voices from the World of Jane Austen** Aug 24 2020 “Wonderful . . . a splendid overview of Georgian history—upstairs and downstairs” (Publishing News). This is a fascinating collection of first-hand accounts of life in the time of Jane Austen, from 1775-1817, showing how social standing and etiquette were prime considerations of the period and revealing the stark contrasts between classes and in the lives of men and women. With extracts from Jane Austen’s novels, letters, biographies, memoirs, and newspapers, including previously unpublished material held by The Jane Austen Society, British Library, Hampshire Record Office and Kent County Archives, this book provides an in-depth look at the historical era that gave birth to such classics as *Pride and Prejudice* and *Emma*.

**Jane Austen in Context** Nov 14 2019 This collection of essays covering many aspects of Austen's life, works and historical context provides the fullest introduction in one volume to the life and times of Jane Austen. *Jane Austen in Context* is a generously illustrated collection of short, lively contributions arranged alphabetically, and covering topics from biography to portraits and agriculture to transport. An essay on the reception of Austen's work is also included, showing how criticism of Austen has responded to literary movements and fashions. The volume emphasises the subtle interactions between Austen's life and times and her novels. This is a work of reference that readers and scholars of Austen will turn to again and again.

*The Complete Novels of Jane Austen & Brontë Sisters* Jul 15 2022 This carefully edited ebook collection is formatted for your eReader with a functional and detailed table of contents: Jane Austen: *Sense and Sensibility* *Pride and Prejudice* *Mansfield Park* *Emma* *Northanger* *Abby Persuasion* *Lady Susan* *The Watsons* *Sanditon* *Charlotte Brontë: Jane Eyre* *Shirley* *Villette* *The Professor* *Emma* *Emily Brontë: Wuthering Heights* *Anne Brontë: Agnes Grey* *The Tenant of Wildfell Hall*

[Death of a Neighborhood Witch](#) Feb 22 2023 Reprinted Edition "I'm crazy about Laura Levine's mystery series. Her books are so outrageously funny." --Joanne Fluke When Jaine Austen's beloved cat Prozac unwittingly scares to death a parakeet belonging to the neighborhood's resident curmudgeon, Jaine finds herself knee-deep in toil and trouble. The cantankerous Hollywood has-been once played Cryptessa Muldoon, television's fourth most famous monster mom. Now she spends her days making enemies with everyone on the block. So when the ornery D-lister is murdered with her own Do Not Trespass sign on Halloween night, the neighborhood fills with relief--and possible culprits. With a killer on the loose, Jaine hardly has time to fall under the spell of her yummy new neighbor, Peter. As the prime suspect, she summons her sleuthing skills to clear her name and soon discovers that everyone has a few skeletons in their closets. . . "Levine's latest finds her at her witty and wacky best." --Kirkus Reviews "Cozy fans will enjoy seeing how Jaine wiggles out of this one." --Publishers Weekly

*Jane Austen's Women* May 21 2020 An original critical introduction to women characters in the novels of Jane Austen. Why does Jane Austen “mania” continue unabated in a postmodern world? How does the brilliant Regency novelist speak so personally to today’s women that they view her as their best friend? Jane Austen’s Women answers these questions by exploring Austen’s affirming yet challenging vision of both who her dynamic female characters are, and who they become. This important new work analyzes the heroines’ relationships to body, mind, spirit, environment, and society. It reveals how, despite a restrictive patriarchal culture, these women achieve greatness. In clear, lively prose, Kathleen Anderson shares original theoretical insights from twenty years of studying Austen, and illuminates the novels as guidebooks on how to become an Austenian heroine in one’s everyday life. This engaging book will appeal to a broad readership: the serious student, the general lit-lover, and the Austen neophyte alike. “Jane Austen’s Women examines aspects of Austen’s female characters in new ways. Anderson thoroughly and competently sifts through the many meanings of “womanhood” in Austen’s time and, directly or by implication, in our own. It was a pleasure to read this delightful analysis accompanied by illuminating references to our own contemporary culture.” — Susan Ostrov Weisser, author of *The Glass Slipper: Women and Love Stories* “Jane

Austen's Women hits the sweet spot between delightful critical introduction and inspiring guidebook for how to live out Austen's vision of what Kathleen Anderson calls "the heroinism of everyday life." Her discerning close readings of female bodies, emotions, intelligence, work, and love combine lucid interpretation with strong insight. This book will prompt readers of Austen, whether seasoned or beginning, to return to Austen's novels with vital questions and renewed energy." — Devoney Looser, author of *The Making of Jane Austen*

**Murder Has Nine Lives** Aug 04 2021 "I'm crazy about Laura Levine's mystery series. Her books are so outrageously funny, they always make me laugh out loud." —Joanne Fluke Freelance writer Jaine Austen has a new job, a tropical vacation on the horizon, and her cat Prozac is slated to star in a major commercial. But when the claws come out behind the scenes, murder is the only thing to meow about . . . When Jaine's cat Prozac is tapped to star in a Skinny Kitty commercial, Jaine never would have guessed the world of cat food could be so, well, catty. Nervous about the finicky furball's diva nature, Jaine is pleasantly surprised—if not in stunned disbelief—at the sight of Prozac eating and napping on cue like a seasoned pro. But just as Jaine begins dreaming of fame and fortune, Skinny Kitty's inventor drops dead on the set. Everyone is a suspect—including Jaine. And she'll have to get her paws on the truth before the killer takes a swipe at another victim . . . "Levine's charming heroine is right on target." —Kirkus Reviews  
[The Witch's Complete Guide to Tarot](#) Jul 03 2021 *The Witch's Complete Guide to Tarot* teaches you how to incorporate the power of tarot into your magical practices through accessible rituals and spellwork.

**Witchcraft** Oct 26 2020 When Kimberly Sawyer is threatened by a needle-pierced rose on her doorstep and a hooded figure wielding a dagger, she seeks protection at Darius Cavanaugh's Napa Valley vineyard and questions her guardian's true nature.

**Eavesdropping on Jane Austen's England** Sep 24 2020 *Eavesdropping on Jane Austen's England* explores the real England of Jane Austen's lifetime. It was a troubled period, with disturbing changes in industry and agriculture and a constant dread of invasion and revolution. The comfortable, tranquil country of her fiction is a complete contrast to the England in which she actually lived. From forced marriages and the sale of wives in marketplaces to boys and girls working down mines or as chimney sweeps, this enthralling social history reveals how our ancestors worked, played and struggled to survive. Taking in the horror of ghosts and witches, bull baiting, highwaymen and the stench of corpses swinging on roadside gibbets, this book is a must-read for anyone wanting to discover the genuine story of Jane Austen's England and the background to her novels.
