The Billionaire's Fake Fiancee Oct 26 2020 Pretend to marry your billionaire best-friend boss. There's no way this could go wrong... Playboy Billionaire Asher Flynn learnt from an early age that people were only interested in the Flynn name or fortune, so he is happy to keep his relationships short and

shallow. There's just one problem: his lack of commitment is spilling out into his professional life, and his company's directors are close to ousting him unless he can prove he's grown up. Bethany Parker has worked with Asher for three years, and is used to his love life dominating the gossip pages. She also knows that for every hour he spends partying he spends four more hard at work keeping his company thriving, and when his rival threatens his position her usually carefree friend is shaken. Beth is desperate to help, and to keep her job, after caring for her sick father has affected her work and her bank balance. A fake engagement is just the solution to both of their problems, and need last only as long as the upcoming team-building weekend...unless they decide to spin it all the way to the altar.

Bound to Her Fake Fiancé Boss May 13 2022
Faking it never felt so real... I'm a happy workaholic. She's my sassy assistant. When I need a fake fiancé, she's the perfect choice. What could go wrong in ten days... I don't do 'I-do.' Don't believe in happy-ever-after. But to convince my grandmother I'm about to take the plunge, I must bring a "fiancée" to Montana. My heart might not

be open, but my checkbook is. I agree to pay my sexy assistant, Asia Brown, to pose as my bride-to-be. She's a level-headed professional who will get the job done. Or so I thought. When she openly flaunts my no-public-displays-of-affection rule, my grandmother's not the only one convinced it's the real deal. Every part of me from the neck down is totally sold. When my broody billionaire boss offers me a six-figure bonus to pretend we're engaged, I can't refuse the opportunity to secure the funds to get my sister into rehab. And if there's a little something left over to help me open my own dress shop, it's a win-win. Determined to charm the grump out of him, I'm caught off-guard by how different Jason is away from spreadsheets and profit margins. And how real it feels when I'm in his arms. When the stakes ramp up, can two opposites take a chance on love, or is faking it the only reality they have? Bound to her Fake Fiance Boss is a standalone billionaire romance with a grumpy hero and his feisty assistant who'll bring him to his knees.

His Fake Fiancee Dec 08 2021 Ivan Volkov is a wickedly intelligent, ruthless, and devastatingly gorgeous billionaire with a sexy British accent. He also owns the company I work for. The plan was simple: get his attention to show him I was the one behind all my boss's awesome proposals that have been making the company hundreds of millions of dollars for the last three years. I'm the one who should be in the big office making a six-figure salary. It worked. I definitely have Ivan's attention. He'll put me in the big office with a six-figure salary—once he's done with me. He needs a personal assistant until he can find a replacement. It won't be long, he assures me, no more than a few weeks. Close proximity to Ivan Volkov for a few weeks? Sure, I don't need my dignity. I wasn't using it anyway. No matter how many times I tell myself to stop staring at him with lust, I can't. It's Complicated Dec 16 2019 From USA Today Bestselling Author Khardine Gray writing as Bella Fontaine, comes a sexy, sassy Fake Fiancée romance. What would you do if your boss offered you two million dollars to pretend to be his fiancée? I had a sick father who needed treatment. A mountain of bills to pay, and... come on it's two million dollars, not ten bucks! Sure, Patterson Flynn is without a doubt a billionaire playboy who had a taste for easy women and fast cars. And sure, as his PA, I should know better than to agree to something so absurd. I've been witness to his craziness for the last five years. Five years of that man could drive anybody insane and realistically if you play with fire you will get burned. The money is tempting, oh so tempting, but there's something else too... I'm curious... My eyes haven't been closed for the last five years. I noticed him. Him, with his

dreamy eyes I could get lost in. Him, with those good looks reserved for Hollywood, and that body that makes me think of hot, sinful things that would make my priest blush. I'm curious to see what it would be like to be on his arm. I'm curious to see how this little arrangement will play out. I'm curious to know if the scorching hot kiss he gave me when we weren't pretending was real. We're getting close, and so far over the line we crossed we can't even see it anymore. I try to keep telling myself it's not real. I just wished I believed it...Author note-Please note a few minor

adjustments have been made to this edition of the novel to tie in with the spin-off novel, Back to you. It will not affect your enjoyment of the story xx

Fake Boyfriend Apr 19 2020 He's absolutely perfect. If only he were real. Lane and Vivi have had it with Isabelle Hunter's boyfriend, Shawn Littig (a.k.a. Sluttig). He is the only person who can turn their smart, confident best friend into a complete mess. When Shawn Sluttig cheats on and dumps Izzy just months before the prom she's been planning since the ninth grade, Lane and Vivi decide to take action. With a few quick keystrokes, they create a MySpace page for "Brandon," the perfect guy to get Izzy out of her revolving-door relationship with Shawn. Too bad he's totally fake. Vivi's younger brother, Marshall, who they hire to be the "man" behind the profile, is way too into being Izzy's fake boyfriend. So they turn to cute, prep-school Jonathan to be the face of Brandon. But when Vivi falls for Jonathan, and Sluttig tries to wedge his way back into Izzy's prom picture, the whole plan starts to go south faster than you can say "fake boyfriend."
